Dear Applicant:

Thank you for your interest in applying for a grant under the Ronald E. McNair Postbaccalaureate Achievement program (McNair). Eligible applicants include institutions of higher education and combinations of those institutions.

This package contains the forms and instructions necessary for preparing an application. Also included is a copy of the "Notice Inviting Applications for New Awards and Notice of Technical Assistance Workshops"; a copy of the McNair legislative authority, Section 402D of the Higher Education Act, as amended; a reprint of the program regulations; and a table reflecting annual family income thresholds for the purposes of qualifying a student as an eligible participant under the low-income criterion. In addition to the application booklet, scannable face and budget sheets are included as separate documents.

There have been several changes made to the application package since the last competition for the McNair program. Therefore, please review the entire application package carefully before preparing and submitting your application. The changes are summarized as follows:

1. As part of the Administration's Reinventing Government Initiative, the Department requires that all applicants for multi-year awards provide detailed budget information for the total grant period requested -- this eliminates the need for extensive non-competing continuation applications in the remaining project years. The Department will negotiate the funding levels for each year of the grant award at the time of the initial award. A new scannable budget form requests the information needed to implement this. An annual performance report will be used in place of the continuation application to determine progress, thereby relieving grantees of the burden to annually resubmit assurances and certifications;

2. The application face sheet and budget summary scannable forms should be typewritten. A standard typewriter is preferred. If no typewriter is available, handwritten forms are accepted; and

3. In an effort to facilitate an effective application evaluation process, all applicants are requested to adhere to the program narrative limitation of one hundred (100) pages. To further expedite the reading process, you should also follow the format for PART III- Program Narrative - that is provided in the application booklet. While you are required to submit a signed original application and two copies of your application, your voluntary submission of a signed original and 3 copies would help to expedite the review process.

The U.S. Department of Education will conduct eleven technical assistance workshops to aid prospective applicants in developing applications for the McNair program. These workshops will be held in August throughout the nation. Information on these workshops is contained in the "Notice Inviting Applications For New Awards for Fiscal Year (FY) 1999 and Notice of Technical Assistance Workshops" contained in this package.

Applications must be postmarked or hand delivered on or before the deadline date. Detailed mailing instructions are provided in the “Application Transmittal Instructions”. Applications submitted late will not be accepted. The Department is required to enforce the established deadline to insure fairness to all applicants. No changes or additions to the applications will be accepted after the deadline date.

For additional information, please contact Higher Education Preparation and Support, U.S. Department of Education, 600 Independence Avenue, SW, The Portals Building, Suite 600D, Washington, DC 20202-5249, ATTN: CFDA 84.217, telephone(202)708-4804 or by Internet at TRIO@ED.GOV.

(a) **GRANTS AND CONTRACTS AUTHORIZED-** The Secretary shall, in accordance with the provisions of this chapter, carry out a program of making grants and contracts designed to identify qualified individuals from disadvantaged backgrounds, to prepare them for a program of postsecondary education, to provide support services for such students who are pursuing programs of postsecondary education, to motivate and prepare students for doctoral programs, and to train individuals serving or preparing for service in programs and projects so designed.

(b) RECIPIENTS, DURATION, AND SIZE-

(1) **RECIPIENTS-** For the purposes described in subsection (a), the Secretary is authorized, without regard to section 3709 of the Revised Statutes (41 U.S.C. 5), to make grants to, and contracts with, institutions of higher education, public and private agencies and organizations, combinations of such institutions, agencies and organizations, and in exceptional circumstances, secondary schools, for planning, developing, or carrying out one or more of the services assisted under this chapter.

(2) **DURATION-** Grants or contracts made under this chapter shall be awarded for a period of 4 years, except that--

the Secretary shall award such grants or contracts for 5 years to applicants whose peer review scores were in the highest 10 percent of scores of all applicants receiving grants or contracts in each program competition for the same award year; and
grants made under section 402G shall be awarded for a period of 2 years.

(3) **MINIMUM GRANT LEVEL-** In any year in which the appropriations authorized under this chapter exceed the prior year appropriation as adjusted for inflation, the Secretary shall use 80 percent of the amount appropriated above the current services level to bring each award up to the minimum grant level or the amount requested by the institution or agency, whichever is less. The minimum grant level (A) for programs authorized under section 402D or 402G, shall not be less than \$170,000 for fiscal year 1993; (B) for programs authorized under section 402B or 402F shall not be less than \$180,000 for fiscal year 1994; and (C) for programs authorized under section 402C or 402E shall not be less than \$190,000 for fiscal year 1995.

(c) PROCEDURES FOR AWARDING GRANTS AND CONTRACTS-

(1) **PRIOR EXPERIENCE-** In making grants and contracts under this chapter, the Secretary shall consider the prior experience of service delivery under the particular program for which funds are sought by each applicant. For fiscal years after 1985, the level of consideration given to prior experience shall not vary from the level of consideration given this factor for fiscal year 1985.

(2) **ORDER OF AWARDS; PROGRAM FRAUD-** (A) Except as provided in subparagraph (B), the Secretary shall award grants and contracts under this chapter in the order of the scores received by the application for such grant or contract in the peer review process required under section 1210 and adjusted for

prior experience in accordance with paragraph (1).

(B) The Secretary is not required to provide assistance to a program otherwise eligible for assistance under this chapter, if the Secretary has determined that such program has involved the fraudulent use of funds under this chapter.

(3) PEER REVIEW PROCESS- (A) The Secretary shall assure that, to the extent practicable, members of groups underrepresented in higher education, including African Americans, Hispanics, Native Americans, Alaska Natives, Asian Americans, Native American Pacific Islanders (including Native Hawaiians), are represented as readers of applications submitted under this chapter. The Secretary shall also assure that persons from urban and rural backgrounds are represented as readers.

(B) The Secretary shall ensure that each application submitted under this chapter is read by at least 3 readers who are not employees of the Federal Government (other than as readers of applications).

(4) APPLICATION STATUS- The Secretary shall inform each entity operating programs under this chapter regarding the status of their application for continued funding at least 8 months prior to the expiration of the grant or contract. The Secretary, in the case of an entity that is continuing to operate a successful program under this chapter, shall ensure that the start-up date for a new grant or contract for such program immediately follows the termination of preceding grant or contract so that no interruption of funding occurs for such successful reapplicants. The Secretary shall inform each entity requesting assistance under this subpart for a new program regarding the status of their application at least 8 months prior to the proposed startup date of such program.

(5) NUMBER OF APPLICATIONS FOR GRANTS AND CONTRACTS- The Secretary shall not limit the number of applications submitted by an entity under any program authorized under this chapter if the additional applications describe programs serving different populations or campuses.

(6) COORDINATION WITH OTHER PROGRAMS FOR DISADVANTAGED STUDENTS- The Secretary shall encourage coordination of programs assisted under this chapter with other programs for disadvantaged students operated by the sponsoring institution or agency, regardless of the funding source of such programs. The Secretary shall not limit an entity's eligibility to receive funds under this chapter because such entity sponsors a program similar to the program to be assisted under this chapter, regardless of the funding source of such program. The Secretary shall not require a separate Director to administer a program funded under this chapter if the imposition of such requirement will hinder coordination among programs funded under this chapter or between programs funded under this subpart and similar programs funded through other sources.

(d) OUTREACH-

(1) IN GENERAL- The Secretary shall conduct outreach activities to ensure that entities eligible for assistance under this chapter submit applications proposing programs that serve geographic areas and eligible populations which have been underserved by the programs assisted under this chapter.

Such training shall be furnished at conferences, seminars, and workshops to be conducted at not less than 10 sites throughout the United States to ensure that all areas of the United States with large concentrations of eligible participants are served.

Of the amount appropriated under this chapter, the Secretary may use no more than 1/2 of 1 percent of such amount to obtain additional qualified readers and additional staff to review applications, to increase the level of oversight monitoring, to support impact studies, program assessments and reviews, and to provide technical assistance to potential applicants and current grantees. In expending these funds, the Secretary shall give priority to the additional administrative requirements provided in the Higher Education Amendments of 1992, to outreach activities, and to obtaining additional readers. under paragraphs (a)(1) through (a)(3) of this section.

§ 647.21 What selection criteria does the Secretary use?

The Secretary uses the following criteria to evaluate an application for a new grant:

(a) Need (16 Points). The Secretary reviews each application to determine the extent to which the applicant can clearly and definitively demonstrate the need for a McNair project to serve the target population. In particular, the Secretary looks for information that clearly defines the target population; describes the academic, financial and other problems that prevent potentially eligible project participants in the target population from completing baccalaureate programs and continuing to postbaccalaureate programs; and demonstrates that the project's target population is underrepresented in graduate education, doctorate degrees conferred and careers where a doctorate is a prerequisite.

(b) Objectives (9 points). The Secretary evaluates the quality of the applicant's proposed project objectives on the basis of the extent to which they-

(1) Include both process and outcome objectives relating to the purpose of the McNair program stated in §647.1;

(2) Address the needs of the target population; and

(3) Are measurable, ambitious, and attainable over the life of the project.

(c) Plan of Operation (44 points). The Secretary reviews each application to determine the quality of the applicant's plans of operation, including-

(1) (4 points) The plan for identifying, recruiting and selecting participants to be served by the project, including students enrolled in the Student Support Services program;

(2) (4 points) The plan for assessing individual participant needs and for monitoring the academic growth of participants during the period in which the student is a McNair participant;

(3) (5 points) The plan for providing high quality research and scholarly activities in which participants will be involved;

(4) (5 points) The plan for involving faculty members in the design of research activities in which students

will be involved;

(5) (5 points) The plan for providing internships, seminars, and other educational activities designed to prepare undergraduate students for doctoral study;

(6) (5 points) The plan for providing individual or group services designed to enhance a student's successful entry into postbaccalaureate education;

(7) (3 points) The plan to inform the institutional community of the goals and objectives of the project;

(8) (8 points) The plan to ensure proper and efficient administration of the project, including, but not limited to matters such as financial management, student records management, personnel management, the organizational structure, and the plan for coordinating the McNair project with other programs for disadvantaged students; and

(9) (5 points) The follow-up plan that will be used to track the academic and career accomplishments of participants after they are no longer participating in the McNair project.

(d) Quality of key personnel (9 points). The Secretary evaluates the quality of key personnel the applicant plans to use on the project on the basis of the following:

(1)(i) The job qualifications of the project director.

(ii) The job qualifications of each of the project's other key personnel.

(iii) The quality of the project's plan for employing highly qualified persons, including the procedures to be used to employ members of groups underrepresented in higher education, including Blacks, Hispanics, American Indians, Alaska Natives, Asian Americans and Pacific Islanders (including Native Hawaiians).

(2) In evaluating the qualifications of a person, the Secretary considers his or her experience and training in fields related to the objectives of the project.

(e) Adequacy of the resources and budget (15 points). The Secretary evaluates the extent to which-

(1) The applicant's proposed allocation of resources in the budget is clearly related to the objectives of the project;

(2) Project costs and resources, including facilities, equipment, and supplies, are reasonable in relation to the objectives and scope of the project; and

Notice to Applicants:

The Government Performance and Result Act (GPRA)

What is GPRA?

The Government Performance and Results Act of 1993 (GPRA) is a statute that requires all federal agencies to manage their activities with attention to the consequences of those activities. Each agency is to clearly state what it intends to accomplish, identify the resources required, and periodically report their progress to the Congress. In so doing, it is expected that the GPRA will contribute to improvements in accountability for the expenditures of public funds, improve Congressional decision-making through more objective information on the effectiveness of federal programs, and promote a new government focus on results, service delivery, and customer satisfaction.

How has the Department of Education Responded to the GPRA Requirements?

As required by GPRA, the Department of Education has prepared a strategic plan for 1998-2002. This plan reflects the Department's priorities and integrates them with its mission and program authorities and describes how the Department will work to improve education for all children and adults in the U.S. The Department's goals, as listed in the plan, are:

Goal 1: Help all students reach challenging academic standards so that they are prepared for responsible citizenship; further learning, and productive employment.

Goal 2: Build a solid foundation for learning for all children.

Goal 3: Ensure access to postsecondary education and lifelong learning.

Goal 4: Make the Department of Education a high performance organization by focusing on results, service quality, and customer satisfaction.

The performance indicators for the Ronald E. McNair Postbaccalaureate Achievement program (McNair) are part of the Department's plan for meeting Goal 3: Ensure access to postsecondary education and lifelong learning. Among the Department's objectives for Goal 3 is that "postsecondary students receive the financial aid and support services they need to enroll in and complete their educational program."

What are the Performance Indicators for the McNair Program?

The Department's specific goal for the Federal TRIO Programs is "to increase participation and completion rates of disadvantaged persons through the academic pipeline." The specific performance indicators for the McNair program are as follows:

- (1) McNair participants will complete undergraduate programs at rates higher than comparable non-participants.
- (2) McNair participants will enroll in programs of study at the graduate level at rates higher than comparable non-participants.
- (3) McNair participants will earn doctorate degrees in various disciplines, including the fields of mathematics and science, at rates higher than comparable non-participants.

Part III -- Program Narrative

—

All applicants must submit a program narrative which specifically addresses the McNair program selection criteria (subsection 647.21) and the instructions for new grants in the Education Department Administrative Regulations (EDGAR) in 34 CFR 75.217. The applicant is encouraged to include a one-page abstract of the proposed project.

The Secretary evaluates an application on the basis of the criteria in Section 647.21 of the McNair program regulations. The program narrative should provide in detail the information which addresses each selection criterion. The maximum possible score for each completed criterion is indicated in parentheses next to the criterion. The applicant is urged to address the selection criteria in the following order:

- | | | |
|----|--------------------------------------|-------------|
| 1. | Need | (16 points) |
| 2. | Objectives | (9 points) |
| 3. | Plan of Operation | (44 points) |
| 4. | Quality of Key Personnel | (9 points) |
| 5. | Adequacy of the Resources and Budget | (15 points) |
| 6. | Evaluation Plan | (7 points) |

Total Maximum Score for Selection Criteria	100 points
---	-------------------

The above order is suggested since this is the same order in which the Technical Review Form is organized. The Technical Review Form is used by the reviewers to evaluate the information contained in the application. It is suggested that the narrative portion of the application not exceed one hundred (100) pages in length.

Additional Suggestions:

- o Type and double space the narrative.
- o Number each page of the application.
- o Make the face sheet the first page of the application.
- o **Do not bind the application** --particularly do not fold, staple or mutilate the scannable forms.
- o **Do not include extraneous descriptive materials** (brochures, reports, etc.) which are not requested.

SUPPLEMENTAL INSTRUCTIONS OBTAINING A D-U-N-S NUMBER

The Dun and Bradstreet Unique Numbering System (D-U-N-S) provides a unique nine-digit number that does not convey any information about the recipient. A built-in check digit helps assure the accuracy of the D-U-N-S number. The ninth digit of each number is the check digit, which is mathematically related to the other digits. It lets computer systems determine if a D-U-N-S number has been entered correctly. This new numbering system replaces the entity identification number (EIN) formerly used by the Department of Education for grantee identification purposes.

Dun and Bradstreet, a global information services provider, has assigned D-U-N-S numbers to over 43 million companies worldwide. You can obtain your D-U-N-S number at no charge by calling 1-800-333-0505 or by completing a D-U-N-S Number Request Form. The form can be obtained via the Internet at the following URL:

<http://www.dnb.com/dbis/aboutdb/intlduns.htm>

Part I -- Application Face Sheet

The following are specific instructions for completing the scannable application face sheet. See also the earlier section entitled "General Instructions for Scannable Forms".

Important Notice to Prospective Participants in U.S. Department of Education Contract and Grant Programs

Grants

Applicants for grants from the U.S. Department of Education (ED) have to compete for limited funds.

Deadlines assure all applicants that they will be treated fairly and equally, without last-minute haste.

For these reasons, ED must set strict deadlines for all grant applications. Prospective applicants can avoid disappointment if they understand that:

Failure to meet a deadline will mean that an application will be rejected without any consideration whatever.

The rules, including the deadline, for applying for each grant are published, individually, in the *Federal Register*. A one-year subscription to the Register may be obtained by sending \$340.00 to: Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402-9371 (send check or money order only, no cash or stamps).

The instructions in the *Federal Register* must be followed exactly. Do not accept any other advice you may receive. No ED employee is authorized to extend any deadline published in the Register.

Questions regarding submission of applications may be addressed to:

U.S. Department of Education
Application Control Center
Washington, D.C. 20202-4725

Contracts

Competitive procurement actions undertaken by ED are governed by the Federal Procurement Regulations and implementing ED Procurement Regulations.

Generally, prospective competitive procurement actions are synopsized in the Commerce Business Daily (CBD). Prospective offers are therein advised of the nature of the procurement and where to apply for copies of the Request for Proposals (RFP).

Offers are advised to be guided solely by the contents of the CBD synopsis and the instructions contained in the RFP. Questions regarding the submission of offers should be addressed to the Contracts Specialist identified on the fact page of the RFP.

Offers are judged in competition with other and failure to conform with any substantive requirements of the RFP will result in rejection of the offer without any consideration whatever.

Do not accept any advice you receive that is contrary to instructions contained in either the CBD synopsis or the RFP. No ED employee is authorized to consider a proposal which is non-responsive to the RFP.

A subscription to the CBD is available for \$208.00 per year via second class mailing or \$261.00 per year via first class mailing. Information included in the Federal Acquisition Regulation is contained in Title 48, Code of Federal Regulations, Chapter 1 (\$49.00). The foregoing publication may be obtained by sending your check or money order only, no cash or stamps, to:

Superintendent of Documents
U.S. Government Printing Office
Washington, D.C. 20402-9371

In an effort to be certain this important information is widely disseminated, this notice is being included in all ED mail to the public. You may, therefore, receive more than one notice. If you do, we apologize for any annoyance it may cause you.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
